For Advertisers

There is no better way to advertise to University of Oxford students, academics, and alumni.

Cherwell is the University of Oxford's leading student newspaper, independent since 1920.

We produce 15 print editions across the year (5 per academic term) which are delivered directly to **30+ colleges** across the University as well as to the wider Oxford community and alumni.

Since the very start of the web, we've published content online at cherwell.org where we regularly reach an audience of over **150,000 monthly page views** within Oxford and globally.

Cherwell has expanded its brand across social media, and now boasts **almost 12,000 Instagram followers** with an average of over **500,000 views** on our posts every month.

Our content is comprehensive and wide-ranging from investigations and breaking news to profiles and culture. Students, academics, local and international readers trust *Cherwell* to keep up to date on all things Oxford.

Countless stories by *Cherwell's* writers have been picked up by national newspapers, such as The Times, The Guardian and The Telegraph, and our writers frequently collaborate with writers from these publications on larger stories.

Cherwell are the 2022 winners for the best student publication in the south east region of the UK and were on the 2023 and 2025 SPA shortlist for best publication in the UK. Our alumni include the writers W. H. Auden, Graham Greene, L. P. Hartley, and Evelyn Waugh.

In the past, we have helped businesses such as P&G, Hogan Lovells, LSE and the UK Atomic Energy Authority - we'd love for you to be next.
